

Product Description

This Par LED SERIES has been designed and engineered for demanding commercial applications. Featuring a new sleek lightweight design, this Par lamp looks like the incandescent it replaces but lasts 40 times longer. With a high 70 LPW efficacy and an evenly diffused beam spread, this lamp saves money without sacrificing light quality. Simply install this retrofit solution in your existing fixture and turn ON the savings.

Features

- Incandescent replacement
- Comfortable diffused light & smooth dimming
- Exceptional efficacy
- Sleek lightweight design
- UL listed & FCC compliant
- ENERGY STAR certified*
